

## **Community Integrated Care**

Community Integrated Care is one of the UK's largest health and social care charities. We work in the community, delivering life-enhancing support to people with a diverse range of care needs, including:

- Learning Disabilities
- Mental Health Concerns
- Autism
- Age-Related Needs
- Dementia

### **Job Purpose**

Provide a professional, high quality care and support service to individuals within their own homes in a manner which maximises their choice and independence and quality of life.

Hours – Bank Staff

Wages – National minimum wage
