

# Pure Home Care

## Waking Nights – Domiciliary Caregiver Role

Are you a caring individual looking for a new opportunity? If you are, then look no further. We are looking for dedicated individuals to join our award-winning Leicester team!

The role of the Domiciliary Caregiver is to provide care and support to clients in their own homes. You will be building up a trusting relationship with both the client and family.

Tasks may include:

- Assisting with light housework.
- Preparing meals.
- Monitoring moods and behaviours.
- Providing encouragement to complete activities.
- Assisting with medication.
- Supporting with personal care.
- Providing companionship.
- Reporting all concerns to the office.

A few benefits of the role are:

- Paid holidays.
- Paid mileage/travel.
- Free company phone, uniform and ID badge.
- Carer of the month awards.
- Refer a friend scheme.
- The opportunity to complete an NVQ qualification, fully funded by Pure Homecare.
- A 24/7 support team.
- The chance to build a relationship with your clients and gain valuable experience.

**If the above sounds like something you are interested in, apply today!**

NVQ | Social Care | Health Care | Care Assistant | Support Worker

Job Types: Full-time, Part-time, Contract, Permanent

Night shift is between 8 and 12 hours (usually 9pm-9am but it differs for different clients).
