

## Census 2021 Job Roles

Adecco are recruiting thousands of temporary people across the UK for Census 2021.

The Census is a survey about all of us. Adecco are looking for people with enthusiasm to encourage everyone in England and Wales to participate.

### What is the Census?

The census gives us a picture of communities, which helps to plan and fund public services in your area. Nothing else gives so much detail about the society in which we live, helping to make decisions with the potential to transform lives for the better.

**COVID 19 - INFORMATION:** The census roles are being designed to safeguard the health and safety of all candidates and staff. Adecco will be doing everything reasonably practical to reduce any risks caused by Covid-19.

Please note for all roles holiday entitlements will be restricted – please read the JD's as attached. All roles are weekly pay
