

### **Support Worker – Adjuvo Care**

Hunters Rest serves as a semi-independent living scheme, to act as a stepping stone to help service users with Learning disabilities and Mental Health needs return to society on a fully independent basis.

Hunters Rest is a mixed gender service and can accommodate anyone aged 18 or over. The service can accommodate 14 service users and being a stones throw from Leicester town centre, service users and support workers alike will have access to many local amenities such as colleges, shops and local leisure facilities.

As a support worker:

- You will be responsible for the care and support of our residents within the service. You will support with personal care, observations and ensure the health and well-being of our residents is always prioritised.
- You will support with challenging behaviours, safely and supportively by using the skills and approved approaches learnt through training, therefore promoting positive behaviour management.
- You will contribute to reviews, support plans and risk assessments.
- You will assist and encourage our residents to engage in everyday home, social, and work activities according to the individual's choices.
- You will support our residents with their health needs as required, which may include administering medication and attending medical appointments.
- You will keep accurate and up to date records at all times.
- You will work positively with colleagues, families and external organisations to assist with supporting our residents.

This is such an exciting opportunity for someone who has an interest in learning disabilities and mental health. We offer a competitive salary; extensive training and we will support you through your journey with Adjuvo every step of the way.

Who we're looking for:

- Some experience needed (must be comfortable providing personal care).

- Our support workers must be kind, compassionate and genuinely enthusiastic about the care and wellbeing of our service users
- Our support workers MUST have a good working knowledge of safeguarding and whistleblowing.
- Our support workers need to use initiative to keep service users engaged.
- Our support workers MUST be reliable and flexible, care work isn't your typical 9-5 grind!
